Elena Huffman

**TRI-COUNTY/CITY SOIL & WATER
CONSERVATION DISTRICT**

Proud to be your local partner in conservation since 1944!

FY 2020 KEY FACTS

Provided **\$765,000**
to help farmers
implementing
on-the-ground
conservation
For example ...

8,365 acres planted
in cover crops
to protect the soil
between planting seasons

135 acres planted
in trees and hay
in place of annual crops for
long-term soil protection

Provided free technical
assistance & site visits
to **35 citizens** dealing
with stormwater,
flooding, and
erosion

13,321 acres of crops
with strategic fertilizer plans

35,690 ft of fence installed to protect
streams & rivers from
damage by livestock

Engaged
5,798
students
via
outdoor and indoor
environmental
education

Mission: To provide leadership, education, and technical programs to assist all resource users to conserve, sustain, and improve soil, water, and related resources
